ABOUT US

"TOTAL COMMITMENT TO QUALITY"

MERIDIAN CONSTRUCTION

We are an accomplished South Florida based construction and development company with an attention to detail offering broad-based services in development , commercial construction, residential construction, facility operations consulting, architectural and engineering design development, pre-construction services and overall project management.

OUR TEAM works closely with the ownership team and lenders to provide overall leadership and guidance throughout the development process. We effectively collaborate with the design team to provide creative direction and support while maintaining our core values of honesty, integrity, quality and excellence. Through effective communication and teamwork, we manage and maintain a proactive approach from inception through to final completion to ensure that project goals are met. Our success depends on the success of the project.

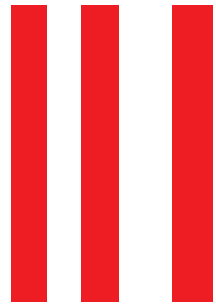

We take great pride in delivering the highest possible level of quality and service to our clients. Our mission is to deliver an exceptional product at a fair price while developing mutually beneficial long term client relationships. We have a "Total Commitment to Quality".

HOTEL & FACILITY

"TOTAL COMMITMENT TO QUALITY"

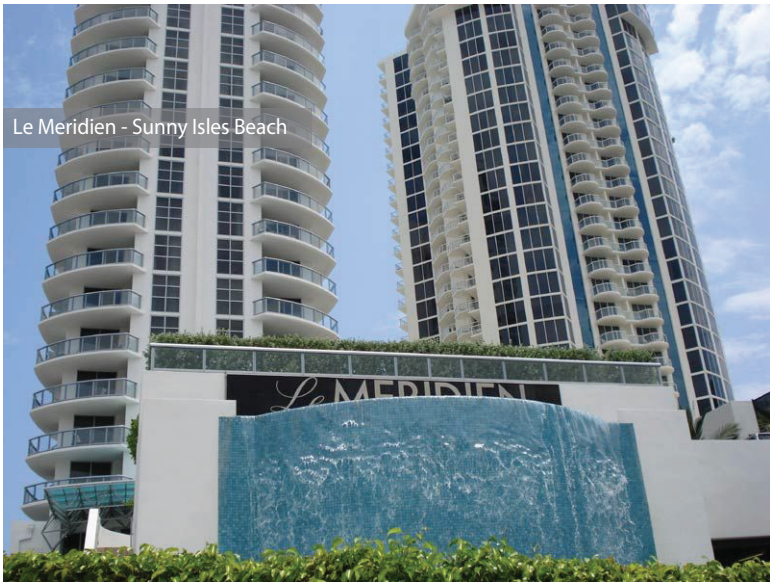

Facility Operations Consulting Specializing in Hotel Operations, Maintenance and Repair.

OUR TEAM works closely with hotel management and individual engineering departments to facilitate global operational initiatives, large scale renovations, repairs to existing systems and complicated maintenance projects that typically fall outside the capabilities of the hotel's engineering department.

ADA Compliance and Renovation

With extensive experience working with ADA consulting firms, reviewing current facility conditions and providing ADA construction solutions that meet conditions necessary for ADA compliance. We have handled upgrading entire hotel resorts from initial consultation, providing ADA expert consulting and documentation, through providing and installing solutions that reduce facility liability through ADA compliance.
